

24" 4 Burner Built-In Gas Cooktop, Front Controls, Stainless Steel

CTG24400SS

Key Features & Benefits

Continuous Cast Iron Grates

The Continuous Cast Iron Grates are expertly designed to effortlessly slide and move heavy pots and cookware across the cooking surface with ease.

Auto Re-Ignition

The Automatic Re-Ignition feature quickly re-lights an extinguished burner if it's accidentally blown out by a draft, spill, or boil-over. This safety feature prevents gas buildup above the cooktop, reducing the risk of gas leaks.

One Piece Design

The seamless, One-Piece Stainless Steel Design makes cleanup effortless, even in the event of a spill.
